Family Ministries at Powdersville First
Baptist**

I heard Adrian Rogers on the radio say the following in a message about prayer. "The devil cannot stop God from answering prayer. but he can hinder the believer from praying." The Word of God says in **James 4:2**, "You do not have because you do not ask." The context here is where the people of the church were having problems because they wanted certain things and were not asking God for them but trying to get those things by themselves, thus leading to problems in their lives. So, James tells them to ask God rather than do it in your own strength. Of course, James' statement that "you have not because you ask not" does not guarantee that we will get everything we ask for. A father might tell his child not to steal anything from the tool shed but to simply ask if he wants something. But, if the 10-year-old asks for the chain saw, the father, for safety reasons, might not give it to him. Likewise, when we ask God for something, He reserves the right to do what is best for us. I believe this is a word for Starr Baptist Church. I firmly believe that God wants to do great things in our church, but we need to follow His leadership and direction. So, **I am asking you to join me in praying for the next 40 days for our church, beginning on Wednesday, March 2 until Easter Sunday, April 17.** We will post a daily prayer guide, provided by Kentucky Baptist Convention, on the website and on Facebook to guide you as you pray for God to be glorified in our church. Will you join me in prayer each day and ask for God's blessings, guidance, and glory to be very real to us at Starr Baptist Church?

The renovation committee has a recommendation for the church in beginning the renovation of the Sunday School Rooms. The deacons have approved the first phase of the project. **The recommendation will be presented Sunday, March 6 and voted on Sunday March 13.** Be in prayer for this needed project.

See You Sunday!
In His Love,
Tony
